Dear Cleveland Elementary Parents and Families:

Reading is the most important skill you can teach a child. Of all the skills children learn, it is the one you can influence the most. Giving kids access to good books and the opportunity to choose books will motivate them to read more. And like most acquired skills, the more kids practice reading, the better they will get.

We invite you to visit our Scholastic Book Fair and experience a celebration of reading that provides families the opportunity to get involved in a universal mission: *encouraging kids to read every day so they can lead better lives.*

Reading is vital to every child's success, and raising kids as readers means getting involved while they're young. Our Scholastic Book Fair is a reading event that brings the books kids want to read right into our school. It's a wonderful selection of engaging and affordable books for every reading level. Please make plans to visit our Book Fair and be involved in shaping your child's reading habits.
